

TO DO CHECKLIST

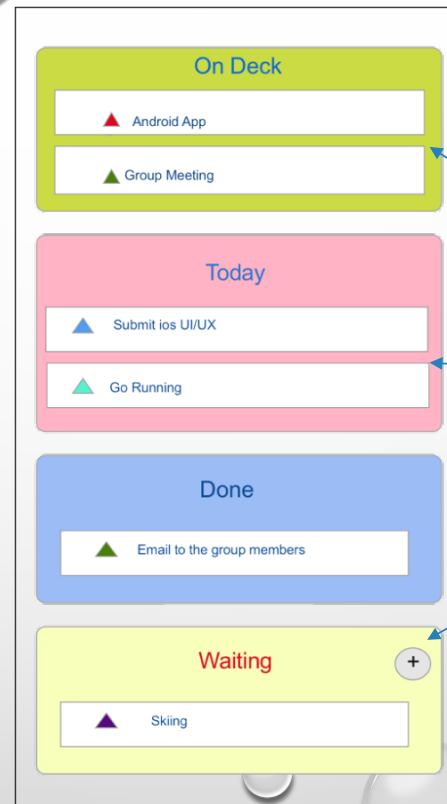

Fernando Ito - 300960367
Irvinder Kaur - 300929258

INSTRUCTIONS ASSIGNMENT 2

- Create at least 2 UI designs for Assignment 2
- Please ensure you include appropriate labels for your design to indicate what each control does
- Deploy the winning design to Xcode and begin Assignment 2

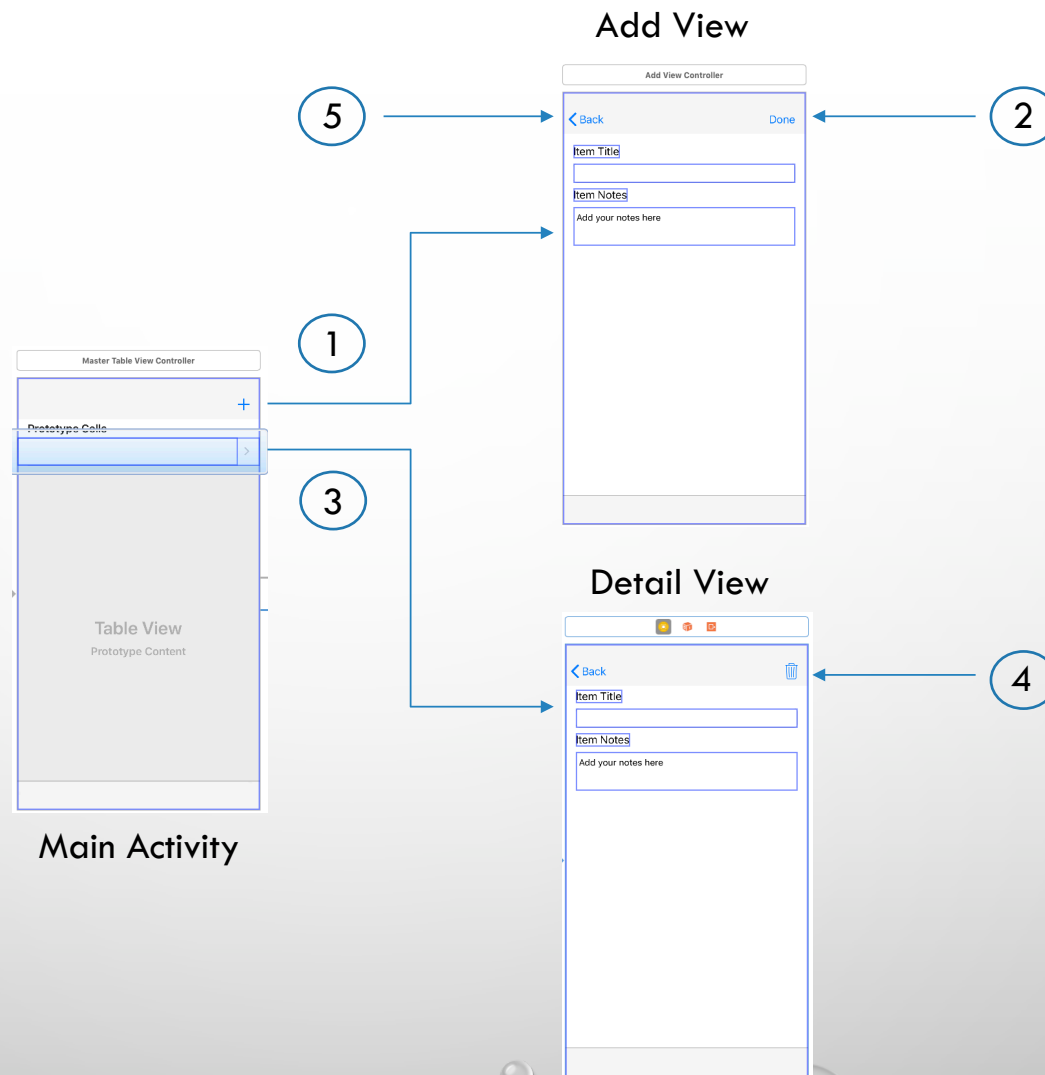

UI DESIGN 2

FIELDS THAT ARE PROVIDED WITH OPTIONAL ADD BUTTON/OR CAN BE LINKED TO EACH OTHER IN ORDER TO FETCH DATA. IN A DIRECTION AS IN WAITING->ON DECK -> TODAY->DONE

UI DESIGN 2

1. In the Main Activity, add a new note by hitting the "+" button. It will move to the Add View;
2. Once your note is completed, hit the "Done" button;
3. Back to the Main Activity, you can edit your note by selecting the ">" button;
4. If you want to delete your note, select the Trash Bin on the top left of the Detail View;
5. On both Add View and Detail View, you have the option to back to the Main Activity without any changes.

DELIVERABLES ASSIGNMENT 2

- A PDF document of your designs
- A zip archive of your Xcode project that includes your chosen UI design completed and deployed
- A link to your GitHub repo

The image features a light gray gradient background. In the top-left corner, there are several water droplets of varying sizes, some partially cut off by the edge. In the top-right corner, there are also a few droplets. The bottom-right corner is more densely populated with larger, more detailed droplets, including one that is quite large and irregular in shape. The text "THANK YOU!" is centered in the middle of the image.

THANK YOU!
